Eadine Hickey

CULTIVATOR OF BRAVE SPACES

Brave Spaces are where the real work happens — where individuals and teams tackle and make progress on challenges which matter — it's growth zone work, not comfort zone work.

WHAT I DO

PSYCHOLOGICAL SAFETY

Cultivating environments where people can contribute fully and do their best work.

Panel Events · Fireside Chats · Team Development

ADAPTIVE LEADERSHIP

Facing messy, complex challenges? Adaptive Leadership builds capacity for sense-making and navigating complexity.

Executive Coaching · Leadership Development

BRAVE SPACES

A unique blend of Psychological Safety & Adaptive Leadership enabling safe-to-fail experimentation, learning and progress.

Executive & Team Coaching · Facilitation · Culture Change
